What procedures do I have to do to legalize my home?

Response sent by IPF: As each case is different, each one is analyzed to determine the corresponding response. We put at your disposal the following Official Gazette that covers all the information on the subject.

How to start as a Self-Employed Worker?

The person interested in self-employment presents to the designated official of the entities that issues the authorization, in order to decide whether the request is appropriate, or no, the following documents:

1. Request writing
2. Flesh of identity
3. Two 1x1 photos
4. Request for authorization to employ contract workers and draft employment contract or equivalent document, where the agreed clauses and conditions are specified;
5. Authorization of the Historian or Conservator, as appropriate, in cases where they intend to carry out the activity within the limits of the Priority Conservation Area; and
6. Other documents required by the entity issuing the authorization, in correspondence with the activity to be carried out .

What is a multi-bank card?

It is a plastic (non-magnetic) card to which one or several magnetic cards can be linked, both in CUP and in CUC, in order to operate your accounts from any of the payment channels mentioned above (bantel, kiosk, virtual bandec, transfermóvil and payment gateway).

This card has the following characteristics:

-It is identified with the design shown.

-On the back it has a ten-digit card number and the telephone number of Bandec's Telephone Banking as it is the first service to which it was linked.

-Includes a matrix consisting of 10 rows, numbered from 1 to 10, and 10 columns, identified with the letters from A to J, whose cells contain two-digit random values.

-It is associated with a personal identification number or PIN (for
