

MUNICIPAL DIRECTORATE OF EDUCATION

"NICETO PÉREZ GARCÍA"

The sector in the municipality works for the quality of education, based on what Comrade Fidel expressed when he said: "As education is the instrument par excellence in the search for equality, well-being and social justice, You can better understand why I qualify as a profound revolution what today, in search of higher objectives, takes place in education in Cuba: the total transformation of society itself, one of whose fruits will be the comprehensive general culture, which it must achieve to all citizens. " Every day, special motivations inspire what, for each educator, represents commitment, will, security in the future and a source of eternal inspiration.

Management by objectives consists of defining the key areas of results for the organization and for each of the management positions; formulate, in a coordinated and negotiated way, goals and convert them into measurable objectives, expressed in results to be achieved in a given period of time, establish action plans to achieve the objectives and control your progress towards them.
